Description

From the parking area above the restaurant “Schöne Aussicht” in Iselsberg, the path primarily leads together with the MTB path Brandweg (149) for almost 1 km until to the road which splits off at the turn, from where the two paths separate. The path “Roaner Alm Weg 156” continues straight through the high forest, passing the turn “Winklerner Alm” to the tour destination on the pasture "Roaner Alm". Both alpine pastures are cultivated.
