Description

Drive up to Lucknerhaus in Kals am Großglockner. Left, next to Lucknerhaus, we start on the ‘Wendelin-Weingartner-Weg’ heading for Figerhorn. After a few serpentine bends through the area which is steep at first you get to ‘Greiwiesen’. The route flattens out, continuing to ‘Greil Bühel’. Walk in a northerly direction, along the path to the flanks of the summit of the Figerhorn. To finish, scale the final metres high above the ridge, and head towards the wonderful summit cross! The fantastic view to the Großglockner and the other mountains in the panorama is a particular highlight of this tour.
