Description

Starting from the carpark at Neue Mittelschule (new secondary school) in the centre of St. Jakob in Defereggen, first follow the tarmac road towards Tögisch before a narrow path leads you to Trojeralmtal Valley. After 4 kilometres, you will get back to the broader forest road and can enjoy the moderate ascent for the rest of the tour until you reach Jausenstation Trojeralm. Here, homemade farm products are turned into traditional meals. Thanks to the playground, this hiking tour is perfect for families with children. To return back home, either follow the same way you got here on or hike through Außerberg and Trojen.
