Wanderung zur Arventalalm 2.189m

Description

From **Erlsbach**, the route follows the toll road to the **Alpengasthof Patsch**, where a car park is available. After a short hike, you will come to the **Alpengasthaus Oberhaus** (currently closed). This is where the **Nationalpark Hohe Tauern** protected area begins.

From the inn, the hike continues along an alpine road, past the idyllic **Seebachalm**, to the historic **Jagdhausalm**, the oldest alpine village in Austria. From there you reach the **Arventalalm**, which is managed by South Tyrolean farmers.

The route offers a perfect combination of nature, history and culinary delights.
