Description

Starting point is the Leckfeldalm and from Sillianer Hütte we follow the well signposted route no. 403 heading east, past the Hornischegg and Hollbrucker Spitze to Hochgrätensee. There is a war cemetery on its northern banks. We proceed via several hairpin bends to the north side of the summit of the Demut, continuing to the summit of the Eisenreich. Just before the summit of the Eisenreich, route 403 branches off to the left at Obstansersee Hütte.
