Description

Starting from the centre of Matrei in Osttirol, take the Grabenweg directly along the stream Bretterwandbach. Between the mighty walls, follow the path, cross the curling rink and continue straight ahead towards the chapel Bach Kirchl. At the bridge, stay to the right and take the path Mühlweg to the chapel Klaunz Kirchl. According to legend, the chapel Klaunz Kirchl was visited by women who wanted to have children. The hike leads past Klaunz Dörfl and the mountain farms of the Innerklaunzer (short asphalt passage). Here you can experience the everyday life of the mountain farmers up close, breathe in the scent of hay or fresh wood and listen to the sound of cow bells.

In the so-called turn "Tax Reide" turn left onto the forest path, hike past the St. Veit Stöckl, to the parking place "Eden-Happeck". Via the hiking tour Goldriedriese you reach the huts Jagatee Stub'n and Kuenzer Alm. After a stop for refreshments, descend via the so-called Außerklaunzerberg. From the mountain farm "Kölln", the old trail leads to the farm Timmeltalerhof and also back to the centre of Matrei in Osttirol.
