## Description

From the Trojeralm car park, hike past the Trojeralm snack station to the Hintere Trojeralmen. From the Hintere Trojeralm, a path on the right-hand side of the slope leads slightly uphill into the valley to the eastern edge of the Sentenböden. From there, the last few metres are a little steeper to the Reichenberger Hütte.

The connecting path between Durfeldalm and Reichenberger Hütte makes for a rewarding circular hike.
